ABOUT US

COMPANY OVERVIEW

TSK CEYLON (PVT) LTD is a Sri Lanka-based company specializing in the supply, distribution, and servicing of fire safety equipment and industrial safety solutions. The company was established with the vision of providing reliable and high-quality fire protection products to businesses, institutions, and households throughout Sri Lanka.

At TSK Ceylon, safety is our highest priority. We understand the importance of protecting lives, property, and businesses from fire-related risks. We are committed to delivering dependable fire safety solutions that meet modern safety standards and customer expectations.

Our company focuses on customer satisfaction, quality assurance, and long-term business relationships. Through professional service, affordable pricing, and a commitment to excellence, TSK Ceylon aims to become one of the leading names in the fire safety industry in Sri Lanka.

OUR FOUR PILLARS

SAFETY FOCUS

Protecting lives, property, and businesses through effective fire safety solutions.

CUSTOMER SATISFACTION

Exceeding customer expectations with quality products and reliable services.

QUALITY ASSURANCE

Supplying quality-tested products and dependable services that meet industry standards.

CONTINUOUS GROWTH

Expanding our capabilities and improving our services for a safer tomorrow.

VISION, MISSION & CORE VALUES

At **TSK CEYLON (PVT) LTD**, our vision, mission and core values guide everything we do. They reflect our commitment to safety, quality, and the trust of our customers.

OUR VISION

To become a trusted and leading provider of fire safety solutions in Sri Lanka by delivering reliable products, professional services, and innovative safety solutions that protect lives and property.

OUR MISSION

To provide high-quality fire safety equipment and dependable customer service at affordable prices while maintaining strong safety standards, professionalism, and customer trust.

OUR CORE VALUES

SAFETY FIRST

Safety is at the centre of everything we do — protecting people, businesses, and property.

CUSTOMER TRUST

Honesty, reliability, and strong relationships are central to our work.

QUALITY ASSURANCE

Quality-tested products and dependable services that meet industry expectations.

RELIABILITY

Consistent, professional, and timely services for every client.

INTEGRITY

Professionalism, transparency, and ethical responsibility in everything we do.

“ Our values are the foundation of our business and the reason our customers trust us for their fire safety needs. ”

NATURE OF BUSINESS

TSK CEYLON (PVT) LTD operates mainly in the field of fire protection and industrial safety solutions. We provide products and services designed to improve workplace and environmental safety.

SERVICE LINES

1. FIRE SAFETY EQUIPMENT SUPPLY

Fire extinguishers and related fire protection equipment for homes, offices, factories, shops, warehouses, and industrial facilities.

2. FIRE EXTINGUISHER SALES & REFILLING

New fire extinguishers and professional refilling services to keep equipment functional and compliant with safety requirements.

3. SAFETY SIGNAGE & STICKERS

Safety stickers, warning labels, and fire safety signage to help organizations maintain safety awareness and compliance.

4. INDUSTRIAL & COMMERCIAL SAFETY SOLUTIONS

Safety-related products and consultation services tailored to commercial and industrial fire protection requirements.

5. INSTALLATION & MAINTENANCE SERVICES

Installation support and maintenance guidance for fire safety equipment, on-site and off.

OUR KEY FOCUS

- ✓ Improving fire safety standards
- ✓ Reducing fire-related risks
- ✓ Providing quality products and services
- ✓ Ensuring customer satisfaction
- ✓ Creating a safer environment for businesses and communities

OUR BUSINESS PROMISE

SAFETY

We prioritize safety in every solution we offer.

QUALITY

Quality-tested products and dependable services.

PROFESSIONALISM

Professional support with integrity and responsibility.

RELIABILITY

Committed to timely service and customer trust.

PARTNERSHIP

Building long-term relationships with our customers.

OUR PRODUCTS

TSK CEYLON (PVT) LTD supplies a comprehensive range of high-quality fire extinguishers and supporting safety equipment — certified, durable, and suited to every environment.

DRY POWDER (DCP / ABC)

Class A, B, C — the most versatile choice for offices, vehicles, and general-purpose use. Available 1–9 kg.

CARBON DIOXIDE (CO₂)

Class B and electrical fires — leaves no residue. Ideal for server rooms, labs, and electronics. 2–5 kg.

FOAM (AFFF)

Class A and B — smothers flammable-liquid fires and cools solids. For warehouses and workshops. 6 L · 9 L.

WATER

Class A — economical and effective on wood, paper, and textiles. Schools, offices, storage. 6 L · 9 L.

WET CHEMICAL

Class F — purpose-built for deep-fat fryer and cooking-oil fires in commercial kitchens. 3 L · 6 L.

SAFETY EQUIPMENT & ACCESSORIES

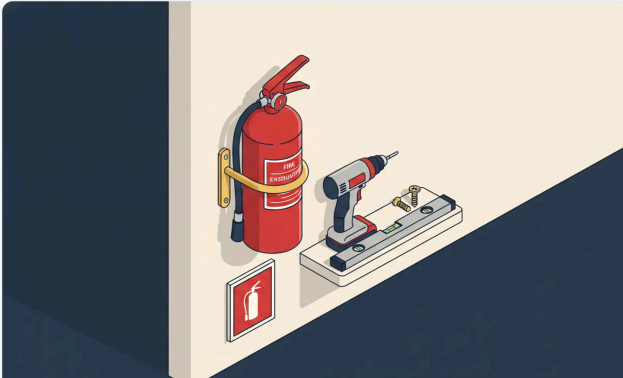

Beyond extinguishers, we supply the full safety ecosystem:

- Safety signs & warning boards
- Fire safety stickers
- Emergency safety accessories
- Industrial safety products

All products certified, durability-tested, and matched to your environment.

OUR SERVICES

Beyond supply, **TSK CEYLON (PVT) LTD** delivers the full lifecycle of fire safety services — installation, inspection, refilling, training, and design — to keep your equipment reliable year after year.

INSTALLATION

On-site installation of fire extinguishers in chrome wall brackets, with signage and placement guidance.

REFILLING

Professional extinguisher refilling with full inspection and pressure testing to safety standards.

INSPECTION & MAINTENANCE

Scheduled checks, service tags, and gauge inspections to keep your equipment compliant and ready.

FIRE TRAINING

Practical training programs that teach staff safe evacuation and correct extinguisher technique.

CONSULTATION

Expert guidance on selecting the right fire protection equipment for your building, industry, and risk profile.

FIRE SYSTEM DESIGN

Professional fire protection system design tailored to building type, occupancy, and safety requirements.

“ Quality Products. Professional Services. Complete Safety Solutions. ”

SECTORS WE SERVE

TSK CEYLON (PVT) LTD serves a wide range of sectors with fire safety solutions tailored to each industry's unique requirements.

COMMERCIAL BUILDINGS

Office buildings, business centres, and multi-storey complexes — fire safety equipment for safe working environments.

INDUSTRIAL & MANUFACTURING

Factories and manufacturing plants — solutions to protect workers, equipment, and assets from fire hazards.

RETAIL & SHOPPING CENTRES

Retail outlets and shopping complexes — fire protection systems, equipment, and maintenance for public safety.

EDUCATIONAL INSTITUTIONS

Schools, colleges, and training centres — equipment and training programs for a safer learning environment.

HEALTHCARE FACILITIES

Hospitals, clinics, and medical centres — reliable solutions to protect patients and staff.

HOTELS & HOSPITALITY

Hotels, resorts, and restaurants — systems and services that protect guests and employees at all times.

GOVERNMENT & PUBLIC SECTOR

Government offices, public buildings, and infrastructure — quality equipment and maintenance services.

RESIDENTIAL COMPLEXES

Residential complexes and apartments — extinguishers, alarms, and safety equipment to protect families and property.

**COMMITTED TO
EVERY SECTOR**

**DIVERSE INDUSTRY
EXPERIENCE**

CONTINUOUS IMPROVEMENT

Constantly learning, innovating, and improving our systems and services.

OUR FUTURE DEVELOPMENT PLAN

EXPAND PRODUCT PORTFOLIO

Introducing advanced and innovative fire safety products to meet evolving industry needs.

STRENGTHEN PARTNERSHIPS

Stronger relationships with global brands, suppliers, and local partners.

INVEST IN OUR PEOPLE

Ongoing training and development to build a skilled, motivated team.

EXPAND OUR REACH

Extending services across Sri Lanka and exploring regional opportunities.

TECHNOLOGY & SUSTAINABILITY

Modern technologies and sustainable practices for smarter, greener solutions.

“ Together, we build a safer Sri Lanka. ”

QUALITY & COMPLIANCE

At **TSK CEYLON (PVT) LTD**, quality and reliability are essential. Every product and service is delivered with a strong focus on safety, durability, and customer confidence.

QUALITY STANDARDS

We work closely with trusted suppliers and industry partners to ensure our customers receive dependable products that meet accepted safety standards. Our commitment to quality helps us build long-term trust and deliver consistent value to every customer we serve.

OUR QUALITY COMMITMENTS

QUALITY-TESTED PRODUCTS

Equipment selected from reliable manufacturers, quality-tested.

PROFESSIONAL STANDARDS

Trained team delivering efficient, customer-focused services.

CUSTOMER SATISFACTION

Listening, understanding, and delivering on expectations.

DEPENDABLE SUPPORT

Reliable after-sales support, maintenance guidance, and assistance.

SAFETY COMPLIANCE

TSK Ceylon promotes the importance of proper fire safety practices in workplaces, commercial buildings, and residential environments.

- ✓ Regular inspection and maintenance of fire safety equipment
- ✓ Products meeting relevant safety requirements and industry expectations
- ✓ Supporting organisations in maintaining safe working environments
- ✓ Following best practices for reliability, safety, and compliance
- ✓ Committed to protecting lives, property, and businesses

OUR QUALITY PHILOSOPHY

Quality is not just a standard we follow — it is a promise we deliver. We are dedicated to continuous improvement, strong partnerships, and providing safe, reliable, and effective fire protection solutions.

WHY CHOOSE TSK CEYLON?

At TSK CEYLON (PVT) LTD, we go beyond supplying products. We deliver complete fire safety solutions backed by experience, dedication, and a customer-first approach.

01 EXPERIENCE YOU CAN TRUST

Industry knowledge and hands-on experience — solutions you can rely on.

02 QUALITY PRODUCTS

High-quality, certified products from trusted brands meeting international standards.

03 CUSTOMER-FOCUSED APPROACH

We listen, understand, and provide solutions that meet your exact requirements.

04 FAST & RELIABLE SERVICE

Quick response, on-time delivery, and efficient after-sales support.

05 PROFESSIONAL TEAM

Trained, experienced team providing expert advice, installation, and maintenance.

06 COMPETITIVE PRICING

Cost-effective solutions without compromising on quality.

07 COMMITMENT TO SAFETY

Protecting lives, property, and businesses with dependable solutions.

THE TSK CEYLON DIFFERENCE

- ✓ One-stop fire safety solutions — from supply to support
- ✓ Wide range of products and services under one roof
- ✓ Solutions tailored to your industry and environment
- ✓ Strong focus on quality, safety, and compliance
- ✓ Long-term partnerships built on trust and integrity
- ✓ Dedicated to building a safer Sri Lanka

“ When it comes to fire safety, there is no room for compromise. Choose TSK Ceylon — Your Safety, Our Priority. ”

YOUR TRUST. OUR RESPONSIBILITY.

We are not just a supplier — we are your partner in creating safer environments for today and a secure tomorrow.
